Prathamesh Bankar

FRONT END DEVELOPER & UI DESIGNER

SUMMARY

Web developer with 1+ years of experience in creating responsive websites that are easy for users to navigate. In my previous roles, I have been responsible for developing web solutions that are both cost-effective and drive business growth. I have a deep understanding of front-end technologies, such as HTML, CSS, and JavaScript. Additionally, I am also proficient in UI/UX Design tools, such as Figma and Adobe XD. Furthermore, I am able to work well in fast-paced environments and am a team player.
